

In connection with the entry into force of Regulation (EU) 2023/2854 of the European Parliament and of the Council of 13 December 2023 on harmonized rules on fair access to and use of data, and amending Regulation (EU) 2017/2394 and Directive (EU) 2020/1828, known as the Data Act, Megabajt sp. z o.o. hereby informs that the NEVIQ electric scooters (SKUs: NEVHUL47384, NEVHUL47591, NEVHUL47595) are equipped with a communication module that enables the collection and transmission of data during use. These data are generated and made available in connection with the Tuya application.

The data are stored on Tuya application servers.

Stored information:

- Personal data: Username; Email address; Mobile phone number; "Nickname"; Gender; Profile photo (if uploaded by the user); Country/region code for location verification; Time zone.
- Device-generated data: Device name; Device ID code; Connection (pairing) status; Device activation date; Software version; Device MAC address; Device IP address; DP name; Total device mileage.

The above personal data can be accessed by the user through their account at:
Settings / Privacy Policy Management / Export Personal Information.

Access to device-generated data is available via:
Settings / Privacy Policy Management / Export Device Data.
